Unfortunately, there is no link to each  
individual request on his site. You'll have to  
manually browse his catalogue to find the  
ones that are used. This is however a very  
fun thing to do! Check it out [here](#).

Hey James!  
Would you be able to make me  
and the boys look like we are  
outside?  
Thanks!

You and the boys are outside.
